### **What is "Ladies of Harley"?**

Ladies of Harley (LOH) is the group of female Harley Davidson enthusiasts promoting activities and adventures from within a local HOG chapter. The members of LOH run their own meetings and sponsor activities that both ladies and men can participate in. Ladies of Harley (L.O.H.) is a program sponsored by the Harley Owners Group® to support women motorcycle enthusiasts (both drivers and passengers). It is not a separate organization within H.O.G. ®, but was established to encourage women to become more active in H.O.G. and their local chapters/

### **Who is LOH?**

LOH is any lady that (1) belongs to "National" HOG (full, lifetime or associate membership) (2) belongs to the Colonial HOG Chapter 1381. The members can be either driver or passenger as long as they are willing to participate a little or a lot.

When you register for L.O.H. (with National HOG), you will receive an embroidered patch and a pin. Each time you renew, you will receive a pin indicating the year of membership. You will be identified as a registered L.O.H. member by having the letters L.O.H on your H.O.G. card.
